Button cell or coin cell batteries (mix of battery types)	Varies

ELECTRONICS RECYCLING

THERE ARE NO RESTRICTIONS ON THE NUMBER OF ITEMS THAT MAY BE BROUGHT EACH DAY.

ITEM	DESCRIPTION/SIZE	COST
TV or computer monitor	Small – 1 person can carry it	\$25 each
TV or computer monitor	Large – 2 people needed to move it	\$35 each
Refrigerant-containing appliance	Small – 1 person can carry it	\$15 each
Refrigerant-containing appliance	Large – 2 people needed to move it	\$25 each
Large appliance (stove, dishwasher)	Large - 2 people needed to move it	\$25 each
All other electronics items*, EXCEPT batteries, bulbs, capacitors, ballasts, e-media, and smoke detectors	You do not pay this fee if you are paying for TVs, computer monitors, or refrigerant containing appliances, too.	\$10 per carload

* Includes microwaves, printers, CPUs, keyboards, stereo equipment, vacuum cleaners (please empty the canister or remove the bag before bringing it to us), blenders, DVD and CD players, VCRs, laptops, cell phones, video game equipment, satellite equipment, all wires, cords, and chargers, and almost any other item that requires electricity to work. We cannot take any items that are biohazards, such as used blood glucose monitors.

OTHER ITEMS

ITEM	COST
<p>Electronic media: VHS, Beta, 8-track, cassette tapes, floppy disks, CDs, DVDs and cases. Please keep reusable commercial titles (in good condition) in their cases. For all other media (including computer software), please take items out of their packaging (boxes, bags, etc.) and out of their cases, recycle all paper and cardboard with your curbside recycling, and bring us the electronic media and cases.</p>	\$1 per pound
<p>Ink and toner cartridges: Any size and any brand. For unused cartridges, please leave them in their packaging, so we can put them on our reuse shelves. For used cartridges, please take them out of their original packaging (boxes, bags, air pillow bags), recycle all cardboard and paper with your curbside recycling, consolidate the cartridges into larger bags (to prevent ink leakage and to make weighing easier) and bring the cartridges and plastic packaging to us.</p>	\$1 per pound
<p>Car seats Please remove all cushions, covers, and straps before bringing the seat to us. We can take the plastic and metal pieces of the buckle. If these elements have not been removed, a higher fee is applied.</p>	\$5 each, or \$15 intact
<p>Bike helmets Please remove all straps and fabric cushioning before bringing the helmet to us. (All polyurethane foam would need to be thrown away in the trash.) We can accept the hard plastic pieces of the chinstrap.</p>	\$3 each

TIRES

TYPE OF TIRE	SIZE	COST PER TIRE
Standard car or truck tire	14" to 26" in diameter	\$6
Oversize tires, including large truck, tractor, and other equipment tires	Over 26" in diameter	\$15
Bicycle and other small or thin tires	Any	\$3
